Board of Governors

When considering which children should be selected for admission, the Board of Governors will only consider information which is detailed on the Education Authority Admissions Portal and equivalent as approved by EA. Parents / Guardians should therefore ensure that all information pertaining to their child and relevant to the school's admissions criteria is stated on the EA portal or equivalent. Examples of such information include the child's name as it appears on the birth certificate, parish details, whether the child has sisters (or equivalent as defined in criterion 1) attending the school and the supporting evidence for this and the listing of schools where applicable (criterion 3 & 4). The Board of Governors therefore strongly encourages all interested parties to read carefully and adhere to the guidance provided for each criterion.

Furthermore, applicants whose sister(s), halfsister(s), stepsister(s) or foster sister(s) are presently or were formerly enrolled at the school and who have not chosen St Mary's College as their first preference will depending on their choices of post primary schools / residency in one of the named parishes be eligible for criterion 3, 4 or 5 (or 6 if defined as a "late" application). The governors wish to remind applicants that the "eldest child" criterion is no longer used as part of the school's admissions process.

Over-subscription

The following random selection process will be applied in the event of over subscription in any of the criteria listed based on the initial letter of the pupil's surname (as stated on their long birth certificate) in the order set out below.

D L Z T C H Y E O' Mc J K P A Q G W R V N B M F Mac I S X O U

The order was determined by a random selection of letters witnessed by the Board of Governors on 27th November 2023.

In the event of oversubscription, St Mary's College will retain a waiting list for admissions. The waiting list will be drawn up in accordance with St Mary's College Admissions Criteria 2024-25 as outlined above. In the event of a place becoming available, the pupil at the top of the list will be offered a place. This waiting list will remain valid until 31st August 2024.

Surnames / Forenames Identical

- a) In the event of **surnames** beginning with the same initial letter, the subsequent letters of the surnames will be used in alphabetical order.
- b) In the event of 2 identical surnames, the alphabetical order of the initials of the forename will be used. In the event of **forenames** beginning with the same initial letter, the subsequent letters of the forename will be used in alphabetical order.
- c) In the event of **identical surnames and forename**, the initial of the second forename will be used. If any of these applicants do not have a second forename, they will be placed ahead of those with a second forename. If applicants have identical surnames and forenames, they will be placed in rank order of eldest child by date of birth as stated on their birth certificate and admitted in this order.
- d) If, after this process, any applicants still tie for a final place, the place(s) will be allocated by **random computerised selection**.

Punctual and Late Applications

The application procedure opens on 30th January 2024 at 12 noon (GMT) and an application submitted by the closing date of 22nd February 2024 at 12 noon (GMT) will be treated as a punctual application. An application received after 12 noon (GMT) on 22nd February 2024 and up to 4pm on 4th March 2024 will be treated as a late application. The order of late applications (criterion 6) will be determined by the random selection of letter (above) as generated and witnessed by the Board of Governors on 27th November 2023.

Importance of Documentation / Supplementary Evidence

The Board of Governors reserves the right to require such supplementary evidence as it may determine to support or verify information on any application/transfer form. All applicants should note that all information within an application that qualifies a child for admission will be verified before the child is admitted to the College. The provision of false or incorrect information, insufficient information or the failure to provide verifying documents within the deadlines set may result in the withdrawal of a place or the inability of the College to offer a place. Original verification documents are required.

To enable the Board of Governors to verify the applicant's address the following documents, in their original form, must be supplied within the timeframe set by St Mary's College following a provisional offer of a place. In on-line applications please follow the requirements as set out in the online guidance provided; electronic copies of the required documentation will suffice.

1. To verify the applicants name and date of birth, the long version of the applicant's birth certificate is required.
2. To verify the applicant's address, any **two** of the following is required:
 - A current letter awarding Child Benefit, Tax credit or Universal credits in respect of the applicant or another letter relating to this benefit

which the applicant is resident

- An addressed payslip
- A current utility bill (e.g. electricity, gas, television licence, telephone) which shows the address at which the applicant is resident

Please note that other documents equally capable of verifying your information, or other equally capable means of verification, will be considered at the discretion of the Board of Governors. If, therefore, you are unable to provide the specific documents listed above, please contact St Mary’s College to establish how you can verify your application.

Your provision of these documents is essential if we are to offer your child a place at St Mary’s College. By law, St Mary’s College’s Board of Governors has a duty to verify the important information within your child’s application in order to ensure that it has applied its admissions criteria correctly and that the admissions process is accurate and fair. The school reserves the right to contact parents / guardians directly should the need arise to assist with the verification process.
